Thank You!!

In July, Tangram Interior offered to reupholstered the outside pews because a visitor noticed their disrepair and spoke to her company about our need. The company picked up, repaired and returned the pews at no cost to the parish. The pews are beyond our wildest expectation. They are too beautiful for outside. So they have been placed where they can give the most comfort. The company offered their time, talent and treasure without hesitation or question and returned to us the **gift of new pews**. We give praise and thanksgiving to God for the generosity of Tangram Interiors and the concern of a visitor. We ask: How can we share our gifts with others?
