A very special thought that will make your day A nurse on the pediatric ward, before listening to little ones' chest, would let them listen to their own heart. Their eyes would light up with awe, but she never got a response equal to one 4 yr old. "Listen" she said "what do you suppose that is?" The little 4 yr old drew his eyebrows together in a puzzled line and look up as if lost in the mystery of the strange tap-tap- tapping deep in his chest. Then his face broke out in a wondrous grin and he asked, "Is that Jesus knocking?"

When Jesus heard about the illness of His friend, Lazarus, He responded, " This illness is not to end in death; rather it is for God's glory, that through it the Son of God may be glorified." Every aspect of our lives—our gifts as well as our sufferings— can, if surrendered to Christ, lead to blessing for others and ourselves.
