## **The Challenge**

**of Forming Conscience  
for Faithful Citizenship**

*How does the Church help  
Catholics to address political  
and social questions?*

The church equips its members to address political questions by helping them develop well-formed consciences. "Conscience is a judgment of reason whereby the human person recognizes the moral quality of a concrete act...(Every person) is obliged to follow faithfully what he/she knows to be just and right (CCC #1778). Catholics have a lifelong obligation to form our conscience in accord with human reason, enlightened by the teaching of Christ as it comes to us through the Church. (U. S. Conference of Catholic Bishops).
