The Challenge

of Forming Conscience

for Faithful Citizenship

How does the Church help Catholics to address political and social questions?

The church equips its members to address political questions by helping them develop well-formed consciences. "Conscience is a judgment of reason whereby the human person recognizes the moral quality of a concrete act...(Every person) is obliged to follow faithfully what he/she knows to be just and right (CCC #1778). Catholics have a lifelong obligation to form our conscience in accord with human reason, enlightened by the teaching of Christ as it come to us through the Church. (U. S. Conference of Catholic Bishops).
