The Challenge of Forming Conscience for Faithful Citizenship

U.S. Conference of Catholic Bishops

#41 Catholic voters should use the framework of Catholic teaching to examine candidates' position on issues affecting human life and dignity as well as issues of justice and peace, and they should consider candidates' integrity, philosophy, and performance. It is important for all citizens "to see beyond party politics, to analyze campaign rhetoric critically, and to choose their political leaders according to principle, not party affiliation or mere self-interest". *Living the Gospel of Life, no.33* [www. faithfulcitizenship.org](http://www.faithfulcitizenship.org).

This feast recalls the exaltation of the cross, celebrated on Good Friday. It is through feast such as this that the major themes of our faith are woven in and out of the Liturgical Year. The feast itself marks the finding of relics of the true cross by mother of emperor Constantine. Today we reflect on the power of the cross in our lives.
