Health Care Reform

Congress is preparing to debate health care reform legislation on the House and Senate floors. Genuine health care reform should protect the life and dignity of all people from the moment of conception until natural death. The U.S bishops' conference has concluded that all committee - approved bills are seriously deficient on the issues of abortion and conscience, and do not provide adequate access to health care for immigrants and the poor. The bills will have to change or the bishops have pledged to oppose them.

For more information on proposed legislation and the bishops' advocacy for authentic health care reform, visit: www.usccb.org/healthcare.

Please contact your Representative and Senators today and urge them to fix these bills with the pro-life amendments.

- *To send a pre-written, instant e-mail to Congress go to www.usccb.org/action.*
- *Call the U.S. Capitol switchboard at 202-224-3121, or call your Members' local offices.*
- *Full contact info can be found on Members' web sites at www.house.gov & www.senate.gov.*
