People of Life

"We are a people of life because God, in his unconditional love, has given us the Gospel of Life.... and we are called to act accordingly."

Pope John Paul II

**The Freedom of Choice Act**

The **Catholic Bishops** of the United States **opposed** the Freedom of Choice Act (**FOCA**). If this legislation were to pass, three

decades of Pro Life policies, at both the national and state level would be overturned. The FOCA would legislate a fundamental right to abortion, even Partial Birth Abortion. It would also strip parents of their right to be involved in their minor daughter's abortion decision. The United States **Bishops are asking your support to stop FOCA**. On Sunday, February 8, we will have a postcard campaign to protect human life. **Please join this campaign to spread a culture of life**
